Form Master's Report:

These results are not satisfactory. The main trouble seems to be that he lacks acceptable standards of attainment in nearly all subjects. He is impetuous and his enthusiasm pushes him beyond the limits of his capacity. Vigour is a great asset, but unless it is directed and controlled it does not produce the desired result. The remedy is steadiness in all his undertakings, more care, and attention to unattractive details.

House Report:

Jeremy is filled with a great zest for life. At times it bubbles over and mischievous behaviour results, but the effect on the house is always a cheerful one. Generally speaking his behaviour and hearing have been first rate.

Headmaster's Report:

It is disappointing to note the falling-off in Plus Scores, and I am sure his Form Master has correctly diagnosed Jeremy's troubles. They appear to be the defect of a virtue. It has, in other ways, been a very happy and profitable term.
